

A LEGACY ESTATE . . . *Ragged Edge Ranch*

Set at the gateway of the Big Sur Coast, this early California coastal ranch has stunning views from all areas of the two-terraced property. A pristine cottage and other auxiliary buildings are retreats amidst this incomparable engagement with nature. Tremendous water supply captured from wilderness stream and gravity fed and UV filtered for home use. This is nature at it's best ~ only twice before available in over 40 years.
